# PREFACE

*Big Book of Bulletin Boards For Every Month* includes suggestions for bulletin boards plus patterns. Here are a few general tips to create your own bulletin boards:

1. Cover bulletin boards with solid-colored cloth and add contrasting borders.
2. Extend figures beyond the bulletin board, if you wish; no limits.
3. Use blank walls for larger displays.
4. Scotch Magic™ tape, rolled around a finger, adheres well to walls.
5. Color figures heavily to avoid a washed-out look.
6. Be creative with the patterns and make your own displays.
7. Change them often and let the children help.
8. Enjoy!
