<b>Why Consider Opposing Viewpoints?</b>	<b>11</b>
<b>Introduction</b>	<b>14</b>
<b>Chapter 1: What Are Some Key Issues in the Debate over the Deficit?</b>	
<b>Chapter Preface</b>	<b>19</b>
1. Deficit Reduction Is Crucial to Strengthen the US Economy <i>Carla Fried</i>	<b>21</b>
2. Deficit Reduction Will Not Strengthen the US Economy <i>Joseph E. Stiglitz</i>	<b>27</b>
3. Job Growth Will Lead to US Economic Recovery and Deficit Reduction <i>Dean Baker</i>	<b>34</b>
4. Deficit Reduction Must Take Place Before Job Growth Can Occur <i>Peter D. Schiff</i>	<b>39</b>
5. Debate over Deficit Reduction Is More About Politics than the Economy <i>Christopher Hayes</i>	<b>50</b>
6. Poor Economic Policy Does More Harm to the Economy than a Large Deficit <i>Daniel Berger</i>	<b>55</b>
<b>Periodical and Internet Sources Bibliography</b>	<b>62</b>
<b>Chapter 2: What Role Should Taxes Play in Deficit Reduction?</b>	
<b>Chapter Preface</b>	<b>64</b>

1. Raising Taxes Can Help Reduce the Budget Deficit <i>Congressional Budget Office</i>	66
2. Raising Taxes Will Not Resolve the Budget Deficit <i>Tino Sanandaji and Arvid Malm</i>	76
3. Placing Limits on Tax Expenditures Will Raise Revenue and Lower the Budget Deficit <i>Martin Feldstein</i>	85
4. Tax Increases for Wealthy Americans Would Greatly Reduce the Deficit <i>Robert Reich</i>	90
5. The Price of Taxing the Rich <i>Robert Frank</i>	94
6. Tax Reform Is Necessary to Reduce the Deficit <i>Barack Obama</i>	104
7. Reducing the Deficit Through Tax Reform Is Unrealistic <i>Len Burman</i>	111
<b>Periodical and Internet Sources Bibliography</b>	117
<b>Chapter 3: Will Cuts to Entitlement Programs Reduce the Deficit?</b>	
<b>Chapter Preface</b>	119
1. Cuts to Entitlements and Other Programs Are Essential to Reduce the Deficit <i>Michael Tanner</i>	122
2. Cuts to Crucial Government Programs Will Make the Deficit Larger <i>Mike Whitney</i>	127

3. Medicare Reforms Benefiting Middle and Lower Income Americans Could Reduce the Deficit <i>Michele Swenson</i>	137
4. Cutting Medicare Spending Is Unnecessary Because It Is an Affordable Program <i>James Kwak</i>	143
5. Social Security Spending Is a Major Contributor to the Deficit and Must Be Cut <i>Committee for a Responsible Federal Budget</i>	149
6. Social Security Does Not Add to the Deficit and Cuts Could Destroy the Program <i>National Committee to Preserve Social Security and Medicare</i>	156
7. Cuts Should Be Made to Health Care Costs, Not to Entitlement Programs <i>Alan S. Blinder</i>	163
8. Entitlement Spending Must Be Cut Because the US Population Is Aging <i>Charles Blahous</i>	168
<b>Periodical and Internet Sources Bibliography</b>	<b>179</b>
<b>Chapter 4: Should Defense Spending Be Cut to Reduce the Deficit?</b>	
<b>Chapter Preface</b>	<b>181</b>
1. Cutting Defense Spending Will Reduce the Deficit and Increase National Security <i>David Morris</i>	183
2. The Dangerous Debate over Cutting Military Spending <i>Robert J. Samuelson</i>	190
3. Cutting Defense Spending Should Be Done Carefully to Preserve National Security <i>Dick K. Nanto and Mindy R. Levit</i>	195
