

Active Classroom: Global Studies - Geography

Grades: 5, 6, 7, 8

States: Common Core State Standards

Zombie Based Geography: Mapping Safe and Unsafe Regions

Summary: Regions are a requirement of anyone studying the world around us. Regions are created to help us better understand and think about the complexity of our environments, both physical and human. In this project, students will learn about the different types of regions and how they are used in geographic thinking. (2)

Zombie Based Geography: Mapping the Outbreak

Summary: Students are introduced to some of the questions geographers ask and the tools they use to try and find answers. Students will apply these tools as they create their own map and analyze the spatial relationships between cities. By recognizing these relationships, students will be able to predict the movement of the zombie outbreak and where zombies are most likely to attack next. (INT3801)
