- (11) Changes or additions to the Constitution, called , can be made according to the procedures outlined in Article V.
- (12) Article VI says the United States will pay its debts, that national laws are to be followed when in conflict with state laws, and that government officials must take an _____, in which they promise to support the United States Constitution.
- (13) Article VII required that ______ states ratify the Constitution before it would go into effect.

Amendments 1-10

The first ten amendments to the Constitution, known as the Bill of Rights, were adopted in 1791. This was four years after the original Constitution had been written, and two years after George Washington became President. The Bill of Rights guaranteed that the national government would not take away rights and liberties of the American people.

Decide which one of the ten amendments in the Bill of Rights gives people each of the rights and liberties in the following list. Fill in the space with the <u>number</u> of the amendment. Some numbers will be used more than once.

	the right not to be put on trial twice for the same crime	
(15)	freedom of assembly	
(16)	the right to be tried in the state and district where the crime was committed	
(17)	no quartering of soldiers in homes without the approval of the owner	
(18)	freedom of the press	
	the right to have guns	
	the right to a public trial	
(21)	the right to know the witnesses against oneself	
	freedom of speech	
	the right to have a lawyer	
(24)	the right not to testify against oneself	
	the right not to lose life, liberty, or property without due process of law	
	the right to be tried soon after being accused of a crime	
	freedom of religion	
-	the right to know the charges on which one is being held	
	freedom from unreasonable search and seizure	
	the right to be paid for private property taken for public use	
	the right to obtain witnesses in one's defense	
	freedom to petition the government to correct grievances	
	no cruel or unusual punishments; no excessive bail or fines
