Alexander Hamilton

Alexander Hamilton was born in 1757 on the island of Nevis, in the Leeward group, British West Indies. He was the illegitimate son of a common-law marriage between a poor itinerant Scottish merchant of aristocratic descent and an English-French Huguenot mother who was a planter's daughter. In 1766, after the father had moved his family elsewhere in the Leewards to St. Croix in the Danish (now United States) Virgin Islands, he returned to St. Kitts while his wife and two sons remained on St. Croix.
